SETTLEMENT AGREEMENT

**KENTUCKY OFFICE OF MINE
SAFETY & LICENSING**

RESPONDENT

Come the parties, Petitioner Bruce Strunk (Strunk), by counsel, and the Respondent, the Kentucky Office of Mine Safety and Licensing (OMSL), by counsel, and hereby state that they have agreed to a settlement of the above-styled disciplinary proceeding, according to the following terms:

In consideration for the final resolution of this action against him, and the cancellation of the hearing (as it pertains to him) that was scheduled for October 23, 2006, the Petitioner hereby admits that he violated his employer's substance abuse policy, which was reported to the Respondent and resulted in the suspension of his surface miner and surface mine foreman certificates on August 25, 2006. His actions constituted a violation of KRS 351.120. Therefore, Strunk hereby agrees to the following:

1. The suspension of his temporary surface miner and surface mine foreman certificates until such time as his application for restoration of his certificates is accepted by the Kentucky Mining Board (Board), in accordance with KRS 351.120(13), but in no event shall the suspension end sooner than October 26, 2006.

2. The Petitioner's surface miner and surface mine foreman certificates shall be placed in probation for a period of one (1) year from the date of the restoration of said certificates by the Board, subject to the conditions set forth in Paragraphs 3 and 4, below.

3. During this one-year probationary period, Strunk shall comply with all state and federal mine safety laws and regulations, including the terms of this Settlement Agreement. The willful violation by Strunk of any of said laws or regulations, or the terms of this settlement agreement, may result in OMSL filing a motion with the Mine Safety Review Commission to revoke certificates for the remainder of the probationary period.

4. Strunk shall submit to drug testing once every thirty (30) days and have the results of same reported to OMSL, at his own expense, through his employer's program or a treatment program. If necessary, the Petitioner can utilize the drug testing program offered by OMSL through its examination system, at his own expense.

5. Strunk understands and agrees that he shall undergo an evaluation by a certified addiction counselor or other professional familiar with addictive behaviors, to determine if attendance in rehabilitation, counseling or support group programs is warranted. The written determination of said professional shall be submitted to OMSL. If the professional determination concludes that the Petitioner should enroll in rehabilitation, counseling or support group programs, he shall do so during the probationary period or until such time as his counselors certify to OMSL that he has completed the treatment and counseling.

6. Strunk understands and agrees that the report of any positive drug test results shall be cause for the revocation of his certificates.

Strunk further agrees that this Settlement Agreement and any final order issued herein by the Mine Safety Review Commission will be considered by the Commission to constitute a "first offense", as that term is defined at 805 KAR 8:010, Section 1(13).

Strunk and his counsel state that they have carefully read this Settlement Agreement; they have carefully considered the Agreement prior to signing it; and that Strunk understands and agrees to its terms and provisions.

OMSL and Strunk acknowledge and agree that there are no further promises, inducements, representations, or agreements in connection with this Settlement Agreement other than those expressly set forth in writing herein.
